5:00 pm

Team Meeting

Zoom Conference

Meeting called by: Hareem Awan

Type of meeting: General

Facilitator: Hareem Awan

Note taker: Hareem Awan

Timekeeper: Hareem Awan

Attendees: Hareem Awan, Amir Elmahalawy

Please read: The project description on Canvas

Please bring: A copy of the project description

Minutes

Agenda item: Discuss project

Presenter: Hareem Awan

Discussion:

- We discussed the project description
 - Intersecting social and finance departments
 - Example: help finance someone's education
 - Talked about how this example covers both the social and financial aspect of the project
 - This example helps us understand the task better
 - But need to make sure our project is unique

Conclusions:

Need to conduct research about products in the social finance field to get a better understanding and inspiration of what product we will create.

Action Items/SMART goals:

Person responsible

Deadline

- ☐ Research 2 or more successful products in the social finance market

Everyone

04/04/23

- ☐ Brainstorm 2 ideas of what product we can create for what under-served market
- Everyone

04/04/23

Other Information

Observers:

N/A
