Attendees: Hareem Awan, Amir Elmahalawy, Dylan Schroers

Please read: Meeting 1&2 Minutes

Please bring: Research of social finance market

Minutes

Agenda item: Share research and create outline of presentation

Presenter: Dylan Schroers

Discussion:

- Shared research about the current financial market based around our underserved market. Broke research into three categories:
 - Strategy
 - Innovation
 - Disruption
- Distributed the research categories to one per person.
- Each person is to transfer the information to the slides and create slides using that information using the techniques taught in class.

Conclusions:

Created a simple outline within the presentation and gave each person a portion of the project. The presentation will be about 10 minutes which translates to roughly 10 slides.

The slides are split into three categories and distributed by way of one category per person.
